PATRICIA FRANCISCONI

camera operator, self-shooting pd
e d i t o r

FOCUS: News, Documentary & Factual, Live Broadcast

PROFESSIONAL SUMMARY

Camera Operator, Self-Shooting PD, Editor with 5 years of experience in the industry, proficiency on a large variety of cameras and setups as well as understanding of vision mixing and broadcast engineering.

Key skills include strong analytical capabilities, academic research strategies, varied cultural understanding and strong linguistic skills. Ability to easily adapt to a large variety of social, cultural or professional circumstances. Significant expedition experience, confident working in challenging/hostile environments, ongoing co-operations with logistics, aviation and security professionals. Good psychological understanding of the subject or character at hand and resulting ability to quickly establish lasting relationships, trust and rapport with sources/contacts. Worked on documentaries "In God We Trust" (investigative - Feature), "Escape from Siberia" (obs doc - ARTE), factual programs for Hong Kong Television, Channel 4 News, Russian News Television among others. Self-funded, produced and directed documentary in Papua New Guinea.

Significant experience with live broadcast & multi-camera studio setups. Ongoing live broadcast engagements include UCMMA, WCMMA, FUSION, Shock 'n' Awe Fight Series, et al. Previously responsible for full coverage of multiple live events (sports, music, theater) including multiple world title fights (Boxing, Kickboxing) in Vienna, Austria. Currently based in London, UK.

Specialties: Expedition/Challenging Environment, Extreme Sports, South Pacific & Papua New Guinea
